Community Service Experience

REACH (Recognizing and Experiencing Asian Culture and Heritage) – High School Coordinator

• Promotes the recognition and experience of Asian culture heritage by reaching out to the Central Florida community. Reach provides many wonderful programs to foster young leaders in the Central Florida Community through cultural performances, festival activities, and volunteer opportunities. Coordinate high school students in Central Florida to participate in event planning, presentations, and community outreach.

Coalition for the Homeless

- Serve meals at a local homeless shelter

Crochet Club

- Crocheted blankets that are donated to Advent Health Children's Hospital for hospitalized babies.

Mu Alpha Theta

- Tutored services to other high school students and participates in local and national math competitions
- Tutor Lake Highland students every Tuesday during lunch.

Clubs

Crochet Club – Crochet Teaching Officer

- Serves the community by teaching members, non-members, and teachers how to crochet, and the Orlando community by donating baby blankets and plushies to hospitalized children. We hope to bring enjoyment and an outlet for people through crochet, and comfort to people enduring difficult times through our donations.

Chinese Club

- Organize Chinese cultural events to raise awareness and appreciation throughout Central Florida community

Making STEM Fun – Media Editor Officer

- Hold educational, fun, STEM-related activity sessions at Arnold Palmer Children's Hospital for hospitalized kids who must miss school due to their illnesses. I edit the media that the club uses to promote us, for example, posters, social media posts, and
